ABOUT THE BOOK

LADY GAGA has always believed in the importance of being yourself, being kind to yourself, and being kind to others, no matter who they are or where they come from. With that in mind, she and her mother, Cynthia Germanotta, founded Born This Way Foundation, a nonprofit organization dedicated to making the world a kinder and braver place. Through the years, they’ve collected stories of kindness, bravery, and resilience from young people all over the world, proving that kindness truly is the universal language. And now, we invite you to read these stories and follow along as each young author finds their voice just as Lady Gaga has found hers.

Individually and collectively, these stories prove that kindness not only saves lives but builds community. Kindness is inclusion; it is pride, empathy, and compassion; and it is self-respect and the guiding light to love. Kindness is always transformational, and its never-ending ripples result in even more kind acts that can change our lives, our communities, and our world.

ABOUT THE CREATOR

BORN THIS WAY FOUNDATION Reporters with Lady Gaga

CHANNEL KINDNESS features a collection of stories told by young changemakers who have found their inner strength, prevailed in the face of bullies, started their own social movements, decided to break through the mental health stigma and share how they felt, created safe spaces for LGBTQ+ youth, and embraced kindness with every fiber of their being by helping others without the expectation of anything in return.

LADY GAGA is a singer, songwriter, and actress. She offers her insight by responding to each story, connecting with the storytellers through her own experiences, and suggesting organizations that might help readers who are interested in learning more about the particular topic being discussed.
